

LIMITED LIFETIME REPLACEMENT GUARANTEE

At **Our Company** we are incredibly proud of our installation quality. It is hands down the best quality in the industry, and we guarantee that your system is installed to the highest standards in the industry.

Therefore, we are proud to offer this guarantee:

With the purchase of our 10-year extended labor coverage, and while maintaining your Home Comfort System and having the scheduled maintenance performed with our Service Agreement, **Our Company** agrees that in the event of a second failure of either the heat exchanger or the air conditioning compressor within 20 years of the original installation date, **Our Company** will replace the entire Furnace or Outdoor unit.

In the event you sell your home, this guarantee is fully transferable to the new homeowner pursuant to the terms above.
